**RE: Support SB 1035**

Dear members of the House of Representatives:

As the Supervisor for Algoma Township, I support SB 1035 to exempt a qualified sportsmen's club from the collection of property taxes. These clubs are nonprofit and are open and available to the public a significant amount of the time without charge or at reduced rates. These clubs provide valuable needs to our residents that would otherwise go unmet. I think it important to support these organizations in our communities and help them with the same tax break that other organizations open to the public receive.

Thank you for your support.

Respectfully,

Kevin J. Green
